Bali Yoga Retreat

Retreat practice gives you the time to rest and to let go of your normal day to day routine. It gives you an opportunity to nurture yourself, restore a sense of balance and well-being.

This retreat takes part in two locations. It starts on a pristine beach in east Bali, and finishes in a small mountain village in the midst of rice paddy fields.

Candi Dasa

Candi Dasa is a seaside town in eastern Bali that rests on the edge of a fresh water lagoon. It is popular laid back beach tourist spot.

Sideman Village

Hosted at the Nirarta Centre, the second half of the retreat is set in the cool mountain air village of Sideman. You can look forward to spectacular sunsets and stunning panoramas of the rice fields and the soothing sounds of the Unda River.

ACCOMMODATION

Situated on the beach, far away from hustle and bustle of city streets, the **Pondok Pisang** is a delightful resort set amidst lush green tropical garden surroundings, the bungalows are the perfect place to restore energy. www.pondokpisang.com/
